UNPUBLISHED CONFERENCE PAPERS

"Publish or perish." **- Anonymous**

Total: 55

- H. Bronnimann, J. Iacono, J. Katajainen, P. Morin, J. Morrison and G. T. Toussaint, "Optimal in-place planar convex hull algorithms," Presented at *11th Annual Fall Workshop on Computational Geometry*, November 2-3,2001.
- Godfried T. Toussaint, "Open problems in reconfiguration of polygons in space," *IX Encuentros de Geometria Computacional*, University of Girona, Girona, Spain, July 2-4, 2001, Invited Address.
- Michael Soss and Godfried Toussaint, "Intractable geometric problems on off-lattice polymer models," *Eighth International Conference on Composites Engineering*, Tenerife, Spain, August 5-11, 2001.
- Godfried T. Toussaint, "Open problems in reconfiguration of polygons in space," *First Cuban Workshop on Algorithms and Data Structures*, University of Havana, La Habana, Cuba, April 30 to May 4, 2001.
- Michael Soss and Godfried T. Toussaint, "Convexifying polygons in 3D: A survey," *965th Meeting of the American Mathematical Society,* University of Nevada, Las Vegas, USA, April 21-22, 2001, Abstract # 965-51-108, p. 36.
- Jean-Marie Bourjolly, Thomas Fevens, Antonio Hernandez, Antonio Mesa, David Rappaport, Michael Soss and Godfried T. Toussaint, "Finding non-degenerate points in space," *Abstracts of VII Congreso Nacional de Matematica y Computacion (COMPUMAT-2000)*, November 13-17, 2000, Manzanillo, Cuba.
- Ferran Hurtado, Godfried T. Toussaint and Joan Trias," On polyhedra induced by point sets in space," *Abstracts of VII Congreso Nacional de Matematica y Computacion (COMPUMAT-2000)*, November 13-17, 2000, Manzanillo, Cuba.
- Francisco Gomez, Ferran Hurtado, Toni Sellares and Godfried T. Toussaint, "Prespective projections and removal of degeneracies,"*Abstracts of VII Congreso Nacional de Matematica y Computacion (COMPUMAT-2000)*, November 13-17, 2000, Manzanillo, Cuba.
- Fancisco Gomez, Suneeta Ramaswami and Godfried T. Toussaint, "On removing non-degeneracy assumptions in computational geometry," Abstracts of *VII Congreso Nacional de Matematica y Computacion(COMPUMAT-2000)*, November

13-17, 2000, Manzanillo, Cuba.

- Michael Soss and Godfried T. Toussaint, "Recent results on reconfiguring polygonal chains in space," *957th Meeting of the American Mathematical Society*, Invited Paper, Special Session on Discrete and Applied Geometry, University of Toronto, Sept. 23-24, 2000.
- Godfried T. Toussaint, "Convexifying polygonal linkages in space and its applications to knot theory, polymer physics and molecular biology," *SIAM Discrete Mathematics Meeting*, Minneapolis, Minnesota, June 12-15, 2000,
- Michael Soss and Godfried T. Toussaint, "A hierarchy of polygons: A study of polygon properties," *1st Canada-Cuba Workshop on Algorithms,*Montreal, Canada, May 28 to June 2, 200
- Godfried T. Toussaint, "Recent results on untangling polygons in space," *1st Canada-Cuba Workshop on Algorithms,* Montreal, Canada, May 28 to June 2, 2000.
- Michael Soss and Godfried T. Toussaint, "Basic geometric problems on reconfiguring polymers," Symposium on *Novel Approaches in RNA Informatics*, (NARI'2K), Montreal, Canada, May 18-19, 2000.
- Godfried T. Toussaint, "Recent results on untangling unknots in space," *Meeting of the American Mathematical Society*, University of Massachusetts at Lowell, in Lowell, Massachussetts, April 1-2, 2000.
- M. Soss and G. T. Toussaint, "Dihedral reconfigurations of three-dimensional polygonal chains," *IVth Conference on Operations Research,* Havana, Cuba, March 6-10, 2000.
- G. T. Toussaint, "Convexifying polygonal linkages in space and its applications to knot theory, polymer physics, and molecular biology," *IVth Conference on Operations Research,* Havana, Cuba, March 6-10, 2000.
- F. Gomez, F. Hurtado, S. Ramaswami, V. Sacristan and G. T. Toussaint, "Implicit convex polygons," *14th European Workshop on Computational Geometry*, Barcelona, Spain, March 25-27, 1998.
- F. Hurtado, V. Sacristan and G. T. Toussaint, "Constrained facility location," *924th Meeting of the American Mathematical Society*, Montreal, Quebec, Canada, September 26-28, 1997.
- G. T. Toussaint, "Eliminacion de degeneraciones en geometria computacional," *VII Encuentros de Geometria Computacional,* Madrid, Spain, July 7-9, 1997.
- F. Gomez, S. Ramaswami and G. T. Toussaint, "On removing degeneracies in computational geometry," *914th Meeting of the American Mathematical Society*, Lawrenceville, New Jersey, USA, October 5-6, 1996.
- G. T. Toussaint, "On removing degeneracies in computational geometry," *Carleton Algorithmic Theory Symposium (CATS'96)*, Ottawa, Canada, September 28, 1996.

- G. T. Toussaint, "Computational geometry and facility location," *Conference on Facility Location and Computational Geometry*, University of Sevilla, Spain, April 22-24, 1996.
- P. Bose, S. Ramaswami, G. T. Toussaint and A. Turki, "Experimental comparison of quadrangulation algorithms for sets of points," *Abstracts of 12th European Workshop* on Comp. Geometry, Univ. of Münster, Germany, March 28-29, 1996, pp. 39-40.
- P. Bose and G. T. Toussaint, "On computing quadrangulations of planar point sets," *10th Colloquium on Graph Theory, Combinatorics and Applications*, Feb. 27 - March 3, 1995, Xalapa, Mexico.
- C. Pateras and G. T. Toussaint, "Bamboo fields: A new proximity graph and its application to text-line orientation estimation in document analysis," *Third Workshop on Proximity Graphs*, Mississippi State University, Starkville, Mississippi, December 1-3, 1994.
- P. Bose and G. T. Toussaint, "Proximity graphs on line segments," *Third Workshop on Proximity Graphs*, Mississippi State University, Starkville, Mississippi, December 1-3, 1994.
- P. Bose, F. Hurtado-Diaz, E. Omana-Pulido and G. T. Toussaint, "Some aperture-angle optimization problems," *892nd Meeting of the American Mathematical Society*, Polytechnic University, Brooklyn, New York, April 8-10, 1994.
- G. T. Toussaint, "Geometric and computational aspects of manufacturing processes," *Twenty Third Computational Geometry Day*, Courant Institute of Mathematical Sciences, New York University, March 11, 1994.
- G. T. Toussaint, "Geometric and computational aspects of manufacturing processes," *IX Coloquio de Teoría de las Gráficas, Combinatoria y sus Aplicaciones*," Universidad Autónoma de Yucatan, Mérida, Mexico, February 21-25, 1994.
- J. Bose and G. T. Toussaint, "Geometric and computational aspects of injection molding," *Second Annual Workshop on Computational Geometry*, Stony Brook, New York, October 23-24, 1992.
- G. T. Toussaint, "Un nuevo vistazo a la segunda propocision de Euclides," *III Coloquio Internacional de Filisofia e Historia de las Matematicas*, Mexico City, June 22-26, 1992.
- G. T. Toussaint, "Movable separability of objects in two and three dimensions," *37thColloque des Sciences Mathématiques du Québec*, Université du Québec a Trois-Rivières, Trois-Rivières, Québec, April 4, 1992.
- G. T. Toussaint "Aplicación de la teoría de gráficas a la aproximación poligonal de

curvas," *Séptimo Coloquio de Teoría de las Gráficas, Combinatoria y sus Aplicaciones*, Universidad Autónoma de Zacatecas, México, February 24-28, 1992.

- J. Czyzowics, P. Egyed, H. Everett, B. Gamble, B. Lenhart, K. Lyons, D. Rappaport, T. Shermer, D. Souvaine, G. T. Toussaint, J. Urrutia and S. Whitesides, "Weak visibility of convex sets," *V Coloquio de Teoría de las Gráficas, Combinatoria y sus Aplicaciones*, Universidad Michoacana de San Nicolas de Hidalgo, Casa de la Cultura, Morelia, México, March, 1990.
- G. T. Toussaint, "Relative convex hulls of sets and their applications," 1*3th IFIP Conference on System Modelling and Optimization*, Tokyo, Japan, August 31 - September 4, 1987.
- M. Mansouri and G. T. Toussaint, "On the reachability region of a ladder in two convex polygons," *13th IFIP Conference on System Modelling and Optimization*, Tokyo, Japan, August 31 - September 4, 1987.
- G.T. Toussaint, "On translating a set of polyhedra," *Conference on Polyhedra*, Smith College, Northampton, MA., April 6-8, 1984.
- G. T. Toussaint, Computational geometric thinking as kinesthetic thinking, *Conference on Thinking*, Harvard University, Cambridge, August 20-23, 1984.
- G.T. Toussaint, "Solving geometric problems with the rotating calipers," *Workshop on Computational Geometry*, University of Illinois, Urbana, October 1982.
- G.T. Toussaint and B.K. Bhattacharya, "Some counter-examples to diameter algorithms," Resent Results Session, *IEEE International Symposium on Information Theory*, Les Arcs, France, June 1982.
- G.T. Toussaint and B.K. Bhattacharya, "The complexity of computing distances between sets," *IEEE International Symposium on Information Theory*, Les Arcs, France, June 1982.
- G.T. Toussaint and B.K. Bhattacharya, "Efficient algorithms for computing distances between sets of points," *Meeting of the Classification Society*, Montreal, Canada, June 1982.
- G. T. Toussaint, B.K. Bhattacharya and R. S. Poulsen, "Graph theoretic methods for edited nearest neighbor decision rules," *International Symposium on Information Theory*, Santa Monica, February, 1981.
- G.T. Toussaint, "The relative neighborhood graph of a finite planar set," *Conference on Pattern Recognition*, Oxford University, J1979
- R.S. Poulsen, L.H. Oliver, G.T. Toussaint, and C. Louis, "Recent progress in pattern recognition of cervical cell images at McGill University," *International Conference on Pattern Recognition of Cell Images*, Chicago, May 1979.
- R. Shinghal and G.T. Toussaint, "Experiments in text recognition with the modified Viterbi algorithm," *Workshop on Pattern Recognition and Artificial Intelligence*,

April 1978, Princeton University, N.J.

- G.T. Toussaint, "Recent results on generalized information measures and their relation to probability of misclassification," *Annual Meeting of the Classification Society*, May 23-25, 1976, University of Rochester, N.Y.
- G.T. Toussaint, "Probability of error and equivocation of order alpha," *International Symposium on Information Theory*, June 21-24, 1976, Ronneby, Sweden.
- M. Cohen and G. T. Toussaint, "On the detection of structures in noisy pictures," *CSCSI Workshop on Computational Studies of Intelligence*, University of Ottawa, May 28-29, 1975.
- .T. Toussaint and S. Chung, "On some algorithms for using context in machine recognition of hand printed text," *Computer Science Conference*, Detroit, February 12-14, 1974.
- G.T. Toussaint, "The efficient use of context in machine recognition of hand printed text," *Computer Science Conference*, Detroit, February 12-14, 1974.
- G.T. Toussaint, "Discrimination and the affinity of several distributions," *Conference of the Statistical Science Association of Canada*, May 30 - June 1st, 1974, Toronto, Canada.
- G.T. Toussaint, "Probability of error and the expected divergence," *Second International Joint Conference on Pattern Recognition*, 1974, Copenhagen, Denmark.
- G.T. Toussaint, "Distance measures as measures of certainty and their application to statistical pattern recognition," *Confrence on Theoretical and Applied Statistics and Data Analysis*, Queen's University, Kingston, Ontario, June 4-6, 1973.

"This paper has much that is new and much that is true. Unfortunately, what is new is not true and what is true is not new." **- Anonymous Referee's Report**
